

ALL-STAR SELECTION PROCEDURE FOR YOUTH INC. BASEBALL/SOFTBALL 2016

1. The head coach of each league's all-star team will be the coach with the highest winning percentage as of the conclusion of games on the last Friday of the regular season. If there is a tie between or among teams, the tie-breaker will be as follows:
 - a. Head-to-head record between or among tied teams
 - b. Winning percentage of teams defeated by tied teams
2. This head coach, once notified by the Youth, Inc. director, will have 48 hours to accept the position.
3. If this coach does not accept the all-star team within the 48 hour window in part (2), the head coach of the team with the next highest winning percentage will be eligible to coach, and this process will continue. If no head coach of the league accepts the all-star team head coaching position, the Youth, Inc. baseball/softball committee will choose the league's all-star team head coach.
4. Each coach must receive a list of all eligible players (with team and uniform number) to be considered for all-star selection.
5. Each coach will rank the top ten players in the league (from any Caldwell County team) and submit this ballot to the Youth, Inc. director by the last Friday of the regular season. The player ranked first will receive 10 points, the player ranked second will receive 9 points, and so on until the player ranked tenth receives 1 point.
6. A ballot must have exactly ten players ranked (no more or less). Any ballot without ten names will be considered void and will not be considered.
7. Each player's total will be tabulated and the ten players receiving the highest point totals will be automatic full members of the league's all-star team. If there any ties which result in the top ten placement, those players will be voted on again by the coaches to obtain a clear top ten.
 - a. Example: The 9th and 10th place players each receive 8 points. The 11th place player receives 7 points. This tie will not be broken as it does not affect the top ten placement.
 - b. Example: The 9th, 10th, and 11th place players each receive 8 points. There will be a vote among these three players to determine which two of these three players will receive top ten placement.
8. Once the top ten players have been determined the all-star head coach will select any other eligible players of the league to fill out the team. These do not have to be the players with the next highest point total in balloting.
9. Any league player not chosen as a full member of the league all-star team (either by total of points or by the coach) is eligible, by CCDL rule, to play for another CCDL community's all-star team if the other community so chooses.

10. If a player is offered full membership for his/her community's all-star team, that player may not play for any other CCDL community's all-star team. If a player is offered an alternate position or is not selected for his/her community's all-star team, the player may legally play for another CCDL community's all-star team.
11. There is no required number of players from a league team to be selected for the league all-star team.
12. Once a child is selected to and the parent/guardian accepts membership onto a Youth, Inc. all-star team, then a parent/guardian of that player must commit to having their children at practices and games (unless extenuating circumstances prohibit) and commit to volunteer for two 2-hour shifts in the concession stand at a Caldwell County all-star tournament in July.

ALL-STAR BALLOT FOR YOUTH INC. BASEBALL/SOFTBALL 2016

Please rank the top ten players in your league (from any Caldwell Count Youth, Inc. team) and submit this ballot to the Youth, Inc. director by the last Friday of the regular season. The player ranked first will receive 10 points, the player ranked second will receive 9 points, and so on until the player ranked tenth receives 1 point.

Each player's total will be tabulated and the ten players receiving the highest point totals will be automatic full members of the league's all-star team. If there any ties which result in the top ten placement, those players will be voted on again by the coaches to obtain a clear top ten.

Rank	Player's Name	Points
First		10
Second		9
Third		8
Fourth		7
Fifth		6
Sixth		5
Seventh		4
Eighth		3
Ninth		2
Tenth		1
